NEW UTAH DISTRACTED DRIVING LAW

As of May 13, 2014, it is now illegal to drive and do the following:

NO 

- Text
- Dial a number
- Watch or record video
- Enter data into device
- Use the Internet (to send email or any other purpose)

OK 

Motorists can view navigation and GPS, but must pull over to input the data.
Motorists are barred from dialing phone numbers, but can talk on cell phones.
